

Über dieses Buch

Dies ist ein digitales Exemplar eines Buches, das seit Generationen in den Regalen der Bibliotheken aufbewahrt wurde, bevor es von Google im Rahmen eines Projekts, mit dem die Bücher dieser Welt online verfügbar gemacht werden sollen, sorgfältig gescannt wurde.

Das Buch hat das Urheberrecht überdauert und kann nun öffentlich zugänglich gemacht werden. Ein öffentlich zugängliches Buch ist ein Buch, das niemals Urheberrechten unterlag oder bei dem die Schutzfrist des Urheberrechts abgelaufen ist. Ob ein Buch öffentlich zugänglich ist, kann von Land zu Land unterschiedlich sein. Öffentlich zugängliche Bücher sind unser Tor zur Vergangenheit und stellen ein geschichtliches, kulturelles und wissenschaftliches Vermögen dar, das häufig nur schwierig zu entdecken ist.

Gebrauchsspuren, Anmerkungen und andere Randbemerkungen, die im Originalband enthalten sind, finden sich auch in dieser Datei – eine Erinnerung an die lange Reise, die das Buch vom Verleger zu einer Bibliothek und weiter zu Ihnen hinter sich gebracht hat.

P R E F A C E .

FOLLOWING the precedent of former years the Twenty-sixth Annual Issue of WILLING'S PRESS GUIDE has been carefully revised, no expense being spared in order to support its reputation as the handiest and readiest for reference, and for the information usually required in regard to the Press of the World the most complete and reliable work of its class.

For much of the information the thanks of the Proprietors are due to the publishers who have favoured them by replying to their request for particulars, the few who have failed in this respect being distinguished in the Alphabetical arrangement by a *.

In the newspapers are included only such as appear under distinct titles. Many of these are simply reprints of other papers with the heading alone changed, while others have some variation which entitles them to be called localized editions.

The number of periodicals might be greatly increased by adding, as is commonly done, a large number of strictly American magazines and many hundred parish magazines, the latter mostly some well-known monthly localized by the addition of a cover with parochial notices and local advertisements.

It is perhaps necessary to state that throughout the Guide the prefix "bi" signifies "two," not "twice"; consequently a "bi-monthly" is published every *two months*, a "bi-weekly" every *two weeks*.

The thanks of the Proprietors are returned to numerous appreciative friends and to the newspaper proprietors who have kindly assisted to produce a trustworthy guide to the Press.

THE OLDEST EVENING PAPER—Established 1803.

The Globe

ONE PENNY.

Six Editions are published Daily, from One to Seven p.m.

"THE GLOBE" consistently advocates sound constitutional doctrine, and gives an independent support to the great Conservative party. Great energy is manifested to obtain the latest news, and it has always the character of receiving the earliest official intelligence.

Its circulation is very large, and rapidly increasing. In London it is largely sold at all bookstalls, at the principal newsagents, and in the streets. The subscription list is very considerable; and the Paper can also be had from newsagents in the principal towns, and at all important railway stations in the provinces. It is also much read in clubs, hotels, and reading-rooms throughout the United Kingdom and Continental cities.

"THE GLOBE," which, from the reliability and excellence of its news and reports—parliamentary, law and general—its latest telegrams, money market intelligence, &c., has the reputation of being the LEADING as well as the OLDEST EVENING PAPER, has now added to its other features

A Complete Sporting Service.

The SPECIAL EDITION, published at 6.30 p.m., gives the full results of all events, together with the jockeys, weights, next day's programmes, and starting prices of all the horses running, and a SPECIAL DESCRIPTION OF EACH RACE at all the day's race-meetings throughout the kingdom. The latest betting on the course, the entries, weights, and acceptances, programmes, and scratchings for all coming events are also carefully chronicled. Its original matter, in addition to light reading under "Notes of the Day," includes letters from the chief continental cities; and a special feature is the "Turnover" appearing on the front page, written on a social topic by writers who rank among the foremost *litterateurs* of the day.

Special Notice.—By the operation of the Postal Union, "THE GLOBE," being under 2 oss., can be sent by book post at the minimum rate—one halfpenny; so that the subscription for all parts of the World is now the same as for the United Kingdom, viz. :—

NOTES TO PRECEDING PAGE.

(1) Copies are in the British Museum. Twenty-one numbers issued at Oxford were "Re-printed at London for the use of some Merchants and Gentlemen, who desired them." "Numb. 1" is without date, the first paragraph being headed "Oxon, Nov. 7"—the cause of an erroneous date often given for the first issue: a later paragraph is dated Nov. 14. The second issue is without number, but headed "From Thursday, November 16, to Monday, November 20, 1665," showing that the first issue might have been from the earliest date (*Hueryny*, Oct. 30) to November 16, 1665. One earlier date in the first number is Nov. 4, 1664, the last figure perhaps an error in reprinting. Owing to difference of Style, paragraphs of foreign news dated in advance of the day of publication are to be met with in later issues. One interruption to the asserted regularity of the paper's appearance was caused by the Fire of London, when the printer—"no. Newcomb over against Baynards Castle in Thames Street"—must have been burnt out, and No. 85 did duty for a week, being dated "From Monday, September 3, to Monday, September 10, 1666."

(2) 1690 is the date often given. The first volume is in the British Museum, Nos 1 to 3 being too much mutilated for the date to be correctly ascertained, but the fourth number is for Friday, March 10, to Monday, March 13, 1699 (N. S. 1700).

(3) The date commonly given is 1711, but as many copies of an earlier date are in the British Museum, it is assumed from No. 339, for July, 1708, that publication commenced in 1705.

(4) Green's History of Worcester (1796) states that it is conjectured a public paper was established in Worcester about 1690. That date is consequently claimed for this paper; but Green further adds that, whatever may have been printed previous to 1709, the *Worcester Postman*, in June of that year, assumed a regular and orderly appearance in a small folio of six pages, the printer being Stephen Bryan. The earliest copy known to be in existence of the *Worcester Postman* is said to consist of two pages, post folio, with a date in 1710. Volumes for 1712-14 were exhibited at the Caxton Celebration in 1877. In 1722 the paper had become the *Worcester Post or Western Journal*, and later the *Weekly Worcester Journal*, under which title a copy for Friday, March 3, to Friday, March 10, 1726-7, is in the British Museum, its number being 924, agreeing with the date July 1, 1709, for the first issue. In 1729 the paper had become the *Worcester Journal*, and on June 23, 1748 it announced the death of "Stephen Bryan, who near forty years was printer of this paper." About three months before his death Mr. Bryan assigned his business to Mr. Hervey Berrow, whose name was added to the title on Oct. 11, 1753.

(5) Stated to be unnumbered till 1725, when No. 1 was added to the issue for May 1.

(6) For the first eighteen years the numbers were divided into half-yearly volumes. Perhaps the earliest copy in existence is for Jan. 6, 1715-6, vol. vii. One for Nov. 7, 1717, vol. x., was exhibited at the Caxton Celebration, and the earliest copy in the British Museum is vol. xi., No. 21, for Thurs., May 22, 1718—twelve quarto pages, 8½ inches by six. A number for 1719, vol. xiv., is said to be in the Museum of the Philosophical Society of Leicester; one is spoken of for 1723, vol. xxi.; and the British Museum contains vols. xxxi. and xxxii., for 1728, now an octavo of eight pages, 9 inches by 5½. The date of establishment of the present paper is probably 1731, as a copy of the *Lincoln, Rutland, and Stamford Mercury*, for Jan. 9, 1789, says "This paper for upwards of Fifty-seven years has been and continues to be circulated every Friday morning," &c., proving that the *Stamford Mercury* was not looked upon as the original of the present paper. The claim was first made on July 7, 1826, by a new proprietor, when he counted the 36 half-yearly volumes as so many years, and thus added 18 years to the age of the paper.

(7) Much of the prolixity of this paper and its calculations is shown in the following list of Titular Changes.

(8) 1713 is claimed as the date of establishment. A copy in the British Museum of the *British Chronicle* for March 28, 1771, is No. 34, vol. i.

(9) The date is assumed from an obituary notice of Mr. Wm. Chase in the paper for June 2, 1744, wherein he is said to have "printed the *Norwich Mercury* for about

30 years." The proprietors on Jan. 26, 1884, issued a fac-simile of the paper of Jan. 21-8, 1727, and they have in their possession "an odd copy or two for 1721."

(10) No. 580 is dated March 22, 1722 (published twice a week), and No. 1 of the *Kentish Gazette* is dated April 30 to May 4, 1768. On the following 23rd of July the *Kentish Post* was incorporated, and the paper appeared as the *Kentish Gazette and Canterbury Chronicle*, beginning again as No. 1.

(11) Vol. ii., 1719-20, was in the Caxton Exhibition. The paper was discontinued from 1755 to 1767, a new numbering then being adopted.

(12) 1725 has been given. Volumes for 1729-31 were in the Caxton Exhibition.

(13) The first number was published on May 2, 1720. A copy of the first volume is in the Northampton Free Reference Library.

(14) 1720 has been given. No. 255 is dated Feb. 21, 1727.

(15) A copy of the first number, for July 8, 1723, is in the Bodleian Library, and of this a fac-simile was issued as a supplement to the paper on July 8, 1882.

(16) The *York Courant* was incorporated with the *York Herald*, which started Jan. 2, 1790.

(17) 1720 is frequently given. A copy for July 10, 1739, is No. 76, vol. ii.; and one for March 12, 1741, is No. 372, vol. ix. A copy of the *Salisbury and Winchester Journal* for Sept. 7, 1829, is 5639, following which the number is 56310, and so onwards!

(18) 1719 and 1721 are given. A copy for 1772 is No. 1858.

(19) 1736 is commonly given. The proprietor (1884) says 1737.

(20) 1748 is also given. A copy for Dec. 8, 1804, is No. 2198, pointing to a still later date.

(21) 1745 and 1746 have been given.

(22) Complete file from No. 1.

(23) A volume of the *Oxford Journal* for 1753 was in the Caxton Exhibition. *Jackson's Oxford Journal* for April 3, 1762, is No. 466.

(24) A copy of the *Leeds Intelligencer* for Jan. 3, 1833, says 1751, but in 1866 the date claimed is 1754.

(25) A copy of the *Bath Advertiser* for March 8, 1760, is No. 230, and one of the *Bath Chronicle* for May 7, 1761, is No. 30.

(26) The date commonly given is 1759. No. 1, in the British Museum, is dated Jan. 12, 1760.

(27) This had only reached No. 1319, vol. xxvi., on May 23, 1795.

(28) An earlier date, under a different name, is sometimes given to this paper, but with this title a copy of No. 17, for April 18-21, 1761, is in the British Museum.

(29) 1755 has been given, but a copy for Sept. 10, 1763, is No. 1, and one for March 14, 1776, is No. 88, vol. xiii.—"total number 1639."

(30) 1730 is frequently given.

(31) A copy for Nov. 23, 1775, is No. 761, vol. viii., and the title is preceded by "John Ferrar."

(32) This paper expired in 1844, its death being announced in its last number on the 1st of February. Two months later another proprietor started *The Chronicle*. On Feb. 7, 1849, "Waterford" was added by the proprietor to the headings of the inner pages, and a few weeks later it was added to the first page.

(33) This is said to be an error, being the date of the amalgamation of the *Kentish Post* and *Kentish Gazette* (see note (9)). However, a copy of the *Kentish Chronicle* for April 28, 1795, is No. 1592.

(34) 1782 and 1789 have been given. The paper was not numbered till June 21, 1792, when it was begun with No. 1024.

(35) A volume for 1772 was in the Caxton Exhibition.

(36) A copy for April 13, 1774, is No. 2 (i.e., for that year). The numbers were reissued as a pocket volume at the end of each year as *Weatherby's Kicking Book*.

(37) 1773 is sometimes given. No. 1 is in the British Museum, and dated May 2, 1775.

(38) 1778 is also given.

(39) 1777 and 1779 have been given.

(40) The first number, in the British Museum, speaks of itself as the *Universal Register*, while its heading is "The Daily Universal Register, Printed Logographically. By His Majesty's Patent. Numb. 1, Saturday, January 1, 1785. Price Two-pence Half penny." The printer is James Fleming. The first number of *The Times* is now exhibited in the British Museum.

(41) This paper is spoken of as having made "many profitable tours one hundred miles round London." For various editions the title at one time was preceded by Middlesex, Hertfordshire, Bedfordshire, Berkshire, Buckinghamshire, Surrey, Hampshire, or Essex.

(42) This had only reached No. 996, vol. xx., on Jan. 6, 1880.

(43) A *Bristol Weekly Mercury* had an existence much

earlier in the century. A copy for Dec. 1, 1716, is No. 61.

(44) 1788 is also given.

(45) No. 6 of *The Observer*, for Jan. 8, 1792, is in the British Museum.

(46) In 1862 this paper was incorporated with the *Bath Express*, afterwards the *Bath Herald*.

(47) No. 2 of the *Morning Advertiser*, dated Feb. 10, 1794, is in the British Museum; also fac simile of No. 1.

TITULAR CHANGES AND AMALGAMATIONS.

The following list, which deals only with publications which have not completely passed out of existence will afford considerable help in tracing the history of some of the oldest newspapers and periodicals, and greatly assist in a search for many which are otherwise difficult to find owing to some trifling alteration in the leading title.

The date of issue or of change, where ascertained, follows the title; a second title printed in *italic* indicates that the list must be again entered with that title until the new-found one is printed in Roman character, when, if further information is required, reference should be made to the publication in the Alphabetical List, page 1.

When a publication has received a new title, the contraction *bec.* signifies "became"; and when a title has been incorporated, the contraction *inc.* stands for "incorporated with," "amalgamated with," or "merged into."

The Hospital.

A Weekly Journal of the Medical Sciences and Hospital Administration, with a Special Section for Nurses.

Published every Thursday for Saturday.

Price Twopence.

The HOSPITAL is the only Journal devoted to the combined interests of the Institutional World and the Medical and Nursing Professions. It is, therefore, read in all Hospitals, Medical Institutions, Nursing Homes, and kindred co-operations and establishments, and has a wide sale among Medical Men, Hospital Governors, Secretaries, and officials, as well as the general public interested in voluntarily supported institutions.

The HOSPITAL has a special section which practically forms a journal in itself, devoted entirely to the interests of Nurses. Indeed its circulation among the nursing profession is *absolutely unique*, constituting as it does the only effective medium through which institutions and private individuals can advertise for trained Nurses, or Nurses for situations. The "Wants" advertisements average from 18 to 20 columns every week. It is read by Hospital Nurses, District Nurses, and Private Nurses throughout the World.

The HOSPITAL is therefore the best medium through which to introduce articles to the notice of Institutions, Medical Men, and Nurses, and above all to invalidate through the medium of these professions.

THE BAZAAR,

EXCHANGE AND MART.

From a Lamp Manufacturer.

"It has taken me up to to-day to deal with the replies to my last advertisement, and I have sold and booked orders for over 5,000 Lamps as a result of the two small advertisements I had in *The Bazaar*."

From a Pen and Pencil Manufacturer.

"I have done more business through *The Bazaar* than through any other paper."

THE BAZAAR,

EXCHANGE AND MART.

From a Pet Stock Dealer.

"I find your paper beats all the lot of papers relating to live-stock together into one."

From a Jeweller and Watchmaker.

"Ten years ago I commenced advertising in *The Bazaar* with but a few pounds capital; now we are turning over £12,000 per annum."

THE BAZAAR,

EXCHANGE AND MART.

From Dairy Outfitters.

"We find it has given us better results than any other medium we have used."

THE BAZAAR,

EXCHANGE AND MART.

From a Poultry Appliance Manufacturer.

"I have advertised in *The Bazaar* for eighteen years, and it has been the means of making my fortune. I started with practically nothing at fourteen years of age, and have built up one of the best and wealthiest business concerns in the district."

From a Merchant and Factor.

"If you advertise in *The Bazaar* and do not obtain plenty of orders, either your goods are not worth purchasing, or you ask too high a price for them. Believe me and take the hint."

Each issue has for the most part a separate and *distinct constituency.*

The circulation of each issue is large, *influential, and very extensive.*

DRESS CUTTING *and* MAKING,

THE WEEKLY EDITION OF

The Ladies' Tailor,

JACKET, MANTLE, AND COSTUME CUTTER,
ART FASHION JOURNAL & TECHNICAL INSTRUCTOR.

PUBLISHING OFFICES—

93 and 94, DRURY LANE, LONDON, W.C.

In consequence of the remarkable development and steady continuous growth of the Ladies' Tailoring Trade, and the very general tendency of Drapers, Dressmakers, &c., to adopt the methods of cutting and making which distinguish the tailor-made garment, it has been decided to issue a Weekly Edition of THE LADIES' TAILOR, that Journal having hitherto been published as a "Monthly" only, price 9d.

THE LADIES' TAILOR has been in existence about fifteen years, and the fact of its circulation having more than doubled itself in the last two years may be taken as an indication of the growth of this branch of the tailoring trade during that period.

The pages of THE LADIES' TAILOR have been filled by articles on Fit and Fashion. Measuring, Cutting, Making and Materials, all written by experts and thorough masters of the subjects treated. Fashion Plates of unexcelled artistic and practical value, together with Full-sized Paper Patterns, have formed regular supplements.

The Weekly Edition of THE LADIES' TAILOR will be known as

DRESS CUTTING & MAKING.

Its price will be 2d., and in addition to maintaining all the existing characteristics of the Monthly Edition (which will be published as formerly), a much wider field will be covered, and a number of new subjects introduced.

It will to some extent partake of the character of a General Magazine, and will appeal to all interested in Dressmaking and Ladies' Tailoring, whether professionally or as amateurs.

A few pages will be available for advertisements, and for those desirous of approaching

THE LADIES' TAILOR,
THE DRAPER,
THE COSTUMIER,

THE DRESSMAKER,
THE LADY'S HOSIER, OR
LADIES THEMSELVES,

An Advertisement in **DRESS CUTTING AND MAKING** cannot fail to produce satisfactory results. Of the first number there will be

THE
GREATEST ADVERTISING NEWSPAPERS
 IN THE
UNITED KINGDOM.

THERE have recently been published on the subject of "record" advertising days in British newspapers a number of statements which are misleading, inasmuch as a certain day is chosen when the number of advertisements is abnormally high on account of some special and local circumstance. This exceptional publication is compared with another newspaper at the least busy season, and on the lowest day of the week, and results are shown that are very misleading to Advertisers. Obviously the only fair course in a matter of this kind is to make a comparison of the totals of advertisements which have appeared in different newspapers during a considerable period of time. As a result of such a comparison, extending over the last twelve months, we find that the first advertising medium among British daily newspapers is the *London Daily Telegraph*, the **GLASGOW HERALD** and the *Liverpool Mercury* are next, and the *London Times*, the *Standard*, and the *Scotsman* follow in the order given.

THE EVENING TIMES

(8 PAGES OF 7 COLUMNS EACH, THE LARGEST HALFPENNY NEWSPAPER IN THE KINGDOM)

HAS THE GREATEST NATIONAL CIRCULATION

Of any Evening Paper in Scotland,

EXCEEDING OFTEN OVER 170,000 COPIES.

By the fullest and latest News, &c., it combines in an especial manner attractions for Business Men, the Family Circle, and those interested in Athletics, Sporting, &c., while there is a special column each day devoted to Music and the Drama, the Volunteers, Swimming, Athletics, or Literature and Art, in addition to a column of racy comments, and gossipy items of general interest.

As a Medium for Advertising the *Evening Times* is to be regarded as more on a level with the Morning Papers than is the case with Metropolitan Evening Papers. It is taken home, and read by the family.

Each of its five or more editions contains later and fuller Exchange and Market Quotations, Sporting Results, &c., than any other Evening Paper in Scotland.

By reason of its popularity and large circulation, has proved itself an unusually good medium for those Advertisers who aim to reach the well-to-do classes, and its prices for Advertisement Space will, circulation considered, compare favourably with those of other high-class publications.

“THE SKETCH” is a medium well patronised by Advertisers of the better class, and those in a position to judge pronounce it to be a **Paying Medium**.

EAST ANGLIAN DAILY TIMES.

Independent.

Established 1874.

ONE PENNY.

Chief Offices: IPSWICH. London Office: 53, FLEET STREET, E.C.

Circulates in Suffolk, Norfolk, Essex, Cambridgeshire, Lincolnshire, Hertfordshire, and Middlesex, covering a wider field than any other Eastern Counties Paper.

It is the recognised medium for all Business, Official, Legal, and Parliamentary notices, and is generally the selected paper for Prospectuses, in consequence of the position it obtains among the moneyed classes.

The EAST ANGLIAN DAILY TIMES is an eight-page paper, and the array of advertisements is a sure proof of the favour in which it is regarded by the public.

The aim of the EAST ANGLIAN is to publish a sheet which will dispense with the necessity of taking a London newspaper, and in which all the news of the district is focussed; it is therefore an excellent combination of a London and provincial paper.

From first to last its circulation has regularly and steadily increased, and that increase was never so apparent as in the past few years.

The scale of charges for Advertisements may be obtained of James WILLING, Junr., Ltd., or any Advertising Agents, or will be sent on application to the Chief Office or London Office as above.

THE WEEKLY SUPPLEMENT

The Popular Family Newspaper. One of the largest Penny Weeklies in the Kingdom.

EDWARD BAINES & SONS, LTD., LEEDS. London Office—65, Fleet Street.

The only Official Organ and Independent Paper published representing the large body of Traders associated with the Licensed Victualling interests is the

LICENSED VICTUALLERS' GAZETTE and HOTEL COURIER,

Which has a large circulation, being six times larger than all the other papers representing the same trade combined. Attention is called to the fact that in all the principal hotels, taverns, and other licensed houses throughout England, Scotland, Ireland, and Wales, is the LICENSED VICTUALLERS' GAZETTE taken in, because its well-known literary features form an attraction to the proprietors' customers themselves. Consequently, to the members of the trade, their own official organ is of such value to them that they cannot do without it in their houses, it being the means of drawing customers. The LICENSED VICTUALLERS' GAZETTE is the only paper published giving in its news columns each week an authentic list of all the hotels, inns, and taverns, with their lease, rentals, &c., which are for sale, and the results of the London sales appear also in the following week.

The circulation of the LICENSED VICTUALLERS' GAZETTE exceeds that of any other trade journal, and therefore its value as a medium for advertising the sale or letting of breweries, hotels, restaurants, inns, taverns, and all other kindred properties is evident. Persons who have such to dispose of will find that the LICENSED VICTUALLERS' GAZETTE is the best, and indeed the only true medium for bringing the announcements before notice of the entire trade everywhere. The ordinary business advertiser may be sure of his announcements being read by multitudes of the general public, as the LICENSED VICTUALLERS' GAZETTE lies about all the week in the licensed houses throughout the Kingdom.

The LICENSED VICTUALLERS' GAZETTE and HOTEL COURIER is published every Friday morning (price 2d.), at 303, Strand, London, and advertisements are received till 6 o'clock on Thursday Evening as above.

THE MANCHESTER GUARDIAN.

ESTABLISHED 1821. PUBLISHED DAILY. PRICE ONE PENNY.

The "MANCHESTER GUARDIAN" has long enjoyed the reputation of being the most influential of all Provincial Papers. It is acknowledged to have the largest circulation throughout the Manufacturing Districts of Lancashire and Cheshire, one of the most thickly populated districts in the world, containing, exclusive of Liverpool and Birkenhead, over twenty towns of more than 30,000 inhabitants. In the large towns throughout the South-west of Yorkshire it is largely read, and by the issue of a Special Edition for Wales, it has greatly increased its circle of readers in North Wales. In addition, it has a circulation peculiar to itself among the more cultivated classes of Great Britain in every district, and claims with justice to be one of the Leading Political Papers in the country. A reference to its columns at any time will show that it contains a far larger number of Mercantile Advertisements of the highest class than any other Newspaper out of London.

SPECIAL TRAIN EXPRESSES.—The Proprietors of the "MANCHESTER GUARDIAN" have made arrangements with the London and North Western Railway Company for two Special Newspaper Trains, one leaving Manchester (Exchange) for Wigan, at 2.35 a.m., and the other leaving London Road for Crewe, at 4.40 a.m. daily. These arrangements place them in communication with trains running North and South which have hitherto only been available for an earlier edition. They are thus in a position to place before all their readers a fuller record of the latest telegraphic intelligence than has hitherto been practicable.

HERTS AND CAMBS REPORTER AND ROYSTON CROW.

Established 1855. Enlarged May, 1884.

Friday Evening. Eight Pages. One Penny. The only paper printed at or within 13 miles of Royston.

CIRCULATION CLOSE UPON 4,000 COPIES WEEKLY. One of the papers selected by the Herts Quarter Sessions for the insertion of COUNTY OFFICIAL ADVERTISEMENTS.

The HERTS and CAMBS REPORTER has now been established over 40 years, and during that lengthened period, as a high-class family newspaper, it has enjoyed the confidence of the public and the liberal patronage of advertisers. It assiduously maintains the privilege of independent criticism in all local matters (which are fully and impartially reported), and being neutral in politics, therefore enjoys the support of all classes. Its constantly increasing circulation in Herts, Cambs, Beds, Hunts, and Essex now extends over an area of 25 miles from north to south, and from east to west in proportion. Local news is regularly given from the following among other places:—Royston, Buntingford, Saffron Walden, Ware, Hitchin, Stevenage, Baldock, Biggleswade, Sandy, St. Neots, Potton, Gamlingay, Caxton, and Cambridge.

For about thirteen miles round Royston, in any direction, there is no other town where a newspaper is published. This large and wealthy agricultural district includes several Public Bodies, the official advertisements of which are regularly sent to the REPORTER. By these advantages, coupled with the peculiar position of Royston, being situate within two counties (Herts and Cambs) and close upon the borders of three other counties, the REPORTER affords to advertisers and others, in many respects, the advantages of a County Paper. Its advertising columns are largely used by auctioneers and others having property to dispose of.

THE GROWTH OF THE LIVERPOOL DAILY POST & LIVERPOOL ECHO.

1898 versus 1897.

Certificate.

"We have examined the Printing and Publishing Books of the LIVERPOOL DAILY POST, LIVERPOOL ECHO, and LIVERPOOL WEEKLY POST, for the six months ending 30th September, 1898, and also for the six corresponding months of the previous year, and we find that during the period first named there was an INCREASE in the NUMBER OF COPIES PUBLISHED (deducting spoiled and wasted papers) of

"2,309,936 Copies.

"We further certify that in one month alone the number of copies published by you was

"4,909,744 Copies.

"42, Castle Street, Liverpool."

Nearly 5,000,000 copies per month (see Certificate). Increase in six months in 1898 as compared with 1897:—2,309,936 copies.

THE CIRCULATION OF THE LIVERPOOL PAPERS.

The Publishers of the LIVERPOOL DAILY POST, LIVERPOOL WEEKLY POST, and LIVERPOOL ECHO since the year 1882 have taken the public into their confidence by submitting their printing and publishing books to an independent firm of auditors, whose latest certificate, issued on Saturday, October 1, is published above. These figures tell their own tale; and they are absolutely unparalleled in Liverpool; indeed, we have no hesitation, from information at our disposal, in asserting that the number of Papers issued from the DAILY POST office is greater than that printed in all the other daily newspaper offices combined. None of the other morning or evening papers has ever submitted its books for any lengthened period for examination—and the public will form their own conclusions of mere assertions unsupported by figures.

SCHOOL GUARDIAN.

Being the Weekly Paper published by the National Society; an Educational Newspaper and Review.
While mainly dealing with questions relating to elementary education, a due share of attention is given in the SCHOOL GUARDIAN to topics connected with secondary and superior education.

A portion of each paper is devoted to notices and reviews of books relating to educational subjects. The reviews, as well as the articles, are written by men of acknowledged ability, who have a practical acquaintance with the subjects they discuss.

As the SCHOOL GUARDIAN has a large weekly circulation, it will be found a valuable medium for advertisements that are intended to be read either by school managers or teachers.

Communications relating to advertisements or the business of the paper should be addressed to the Publisher, National Society's Depot, Sanctuary, Westminster.
